* A Professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes "Primary employment" and therefore is not seen as a Professional. For the student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way of an occasional bonus or benefit rather than their principal means of earning a livelihood. The exception to this is a participating teacher who may perform.

** As some societies split there dance genres and run large competitions with different judges and/or at different times of the year, they will be able to nominate more than one group to represent their society. If a society has 30 or more entries in the Troupe/Group Nomination section, then they are entitles to offer a second nomination

SOCIETY NOMINATION

Each Society which is a financial member of PACANZ, may nominate ONE Troupe/Group**, who shall be selected by the Adjudicator, based on a performance at the Member Society Competition. The adjudicator will determine that the Troupe/Group has displayed a sufficient standard of performance to competently represent that society at the National Troupe/Group Finals.

The standard required will be at the absolute discretion of the adjudicator but will include:

A demonstration of adequate preparation

An Authority of performance

A performance with a level of expertise commensurate with a National final competition. If the adjudicator considers that sufficient standard has NOT been reached by any Troupe/Group, then NO nomination will be made.

The nominated Troupe/Group is responsible for paying the entry fee to the National Young Performer Awards, which is \$250.00 incl GST
