The standard required will be at the absolute discretion of the adjudicator but will include:

The nominated Troupe is responsible for paying the entry fee to the National Young Performer Awards, which is \$250.00 incl gst.

- \* A professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes "primary employment" and therefore is not seen as a professional. For the Student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way only of an occasional bonus or benefit rather than their principal means of earning a livelihood. The exception to this is a participating teacher who may perform.
- \*\*If a Society has 10 or more Troupes that enter and compete for a Troupe Nomination, then they are entitled to offer an additional Nomination. This applies to every multiple of 10 troupes that enter and compete for a Troupe Nomination. Therefore –
